## Doing it all. And doing it well.

The Thrush 710P is an incredibly versatile and powerful airplane that features one of the best swath and spray patterns available today. It's well suited for heavy, dry applications, as well as the big fields and longer ferries. Simply put, you won't find any other airplane that does so much, so well

## Specifications

- **Engine**  
Pratt & Whitney PT6A-65AG
- **Hopper Capacity (Dry)**  
95 cubic feet  
2.69 cubic meters
- **Hopper Capacity (Liquid)**  
710 gallons  
2,687 liters
- **Working Speeds**  
90-150 mph  
145-241 kph
- **Take-Off Distance at 14,500 lbs**  
1,598 feet  
487 meters
- **Landing Distance as Usually Landed**  
600 feet  
182.8 meters
- **Fuel Consumption**  
60-80 gph  
227-303 lph
- **Cruising Speed at 55% Power**  
150 mph  
241 kph
